

G. W. E. HERRIN.

We present in our announcement column this week the name of G. W. E. Herrin as a candidate for the office of Trustee of Benton County.

Mr. Herrin is entirely too well known to the people of our county to require a word of introduction from us.

We will call attention to the fact, however, that his previous experience as an official would stand him in good stead if elected. Mr. Herrin's record as Trustee has shown the sterling stuff he is made of by conducting the office on strictly business principles.

He will do his duty as he sees it without fear or favor, and such a man is the kind who make efficient officers.

He will present his claims to you in due time, and we ask that you give them your careful consideration.

PROFITABLE MEETING.

One of the most profitable meetings of the Denton County Farmers' Union was held at Flatwoods last Friday and Saturday.

The old officers were reelected as follows: Clay Rushing, president; Orlando P. Lashlee, vice-president; Granville Goodman, secretary and treasurer; Willie Warrick, door-keeper; W. M. Pafford, conductor, and John Cowell, chaplain. An appropriation was made for the benefit of the club work in this county.

The public was entertained Saturday morning by an address by State President L. M. Rhodes on the power of cooperation. In the afternoon H. A. Morgan, member of the State executive committee of the union, lectured on the possibilities of live stock in this county.

The next county meeting will be held at Pafford's School House.

Your Dollar

Does its Full Duty at the Cash Store

Buying the Finley bankrupt stock at a sacrifice, the new owners are in position to make reduced prices on any and every article in the house.

They can sell you for less and then make a conservative margin of profit.

They are doing this to give you advantage of a good business bargain and to get better acquainted with you.

Another reason, to decrease present stock and make room for new goods.

Nothing shoddy or shop-worn in the house.

Reliable, staple and trust-worthy goods, prices reduced to the minimum, thus offering you the best values for the least money of any store in the county.

Highest market prices for your produce.

Make us prove what we say.
